

Porcelain Paver - Collections / Palermo 2CM

# Palermo Marsili 2CM

## SIZE

All sizes are nominal and in inches. Special cut sizes and additional trim pieces are available upon meeting a required minimum order quantity.

## FINISHES

All pavers contain a special anti-slip finish and pass all wet condition requirements.

## LEAD TIME

6-8 Weeks

Lead times are approximate and can vary based on quantity ordered, production schedule & delivery location.

## FORMAT + THICKNESS

Paver | 3/4"

Most of our tiles are rectified and micro-beveled, however we recommend confirming with us prior should this be a necessity.

## APPLICATIONS

Our pavers are suited for all high-traffic outdoor applications and exceed all of the technical requirements from frost and heat resistance, to stain and chemical abrasion. They even have an absurdly high breaking strength and low water absorption rate all to keep your pavers looking brand new for generations.
