

**Holder of the declaration:**

The holder of the environmental product declaration Global EPD: 002-042 is the "Asociación Española de Fabricantes de Azulejos y Pavimentos Cerámicos (ASCER)" (Spanish Ceramists Association).

**Scope of the declaration:**

This environmental product declaration describes the average environmental information, related to the life cycle of ceramics produced by the companies associated to ASCER. The results showed are considered as representative of the companies associated to ASCER.

**Nasco Stone + Tile is a company associated with ASCER:**

NASCO STONE + TILE is a full associate to ASCER since August 11th 2001, within the category group "Manufacturer of special pieces".

Therefore, the environmental product declaration Global EPD 002-042 applies to the products manufactured by NASCO STONE + TILE
